

Dear Valued South Euclid Business,

The State of Ohio is launching the Small Business Relief Fund on November 2, 2020. This Program will provide grants of \$10,000 to small businesses negatively impacted by the COVID pandemic. All businesses with 25 or fewer employees are eligible to apply.

This is a competitive program but I encourage all qualifying businesses to submit an application. I have attached a [fact sheet](#) with additional information. The application goes live on November 2nd. I will be back in touch that day with the link so you can apply. I encourage you to be prepared to apply on November 2nd, as funds will be awarded on a first come first served basis.

In the meantime, please remember our South Euclid Vital Business Grant Program is still accepting applications. If you have not yet applied for this program, which will offer 10 businesses grants of \$5,000 each, you have until Monday November 2nd to complete your application. Please [Click Here](#) to apply.

I will be back in touch on Monday November 2nd with all the information you need to apply for the State Grant Program. In the meantime, please feel free to reach out if I can be of assistance with this or any other matter.
