

Hello All,

I am writing today with a few updates:

### **1. South Euclid Vital Business Grant Program**

Applications for South Euclid's Vital Business Grant Program are available now through November 2nd. Any business which operates out of a storefront and has 25 or fewer employees is encouraged to apply. 10 businesses will be selected to receive grants of \$5,000 each. Applications will be reviewed by a committee of volunteer residents on November 10th and I will be in touch with an update shortly after that date.

**Please [Click Here](#) to apply.**

### **2. Cuyahoga County Business Survey**

Cuyahoga County is requesting all small business owners complete the following survey. This survey will help the County better understand the needs of small businesses during the ongoing pandemic. The results of the survey will be used to create new grant/loan programs to help small businesses, thus it is very important you make your voice heard!

**Please [Click Here](#) to complete the survey.**

### **3. Destination Cleveland Clean Committed Program**

If you have not already done so, please join your business colleagues from South Euclid and the region in signing up for the free Destination Cleveland Clean Committed Program. By signing up for the program, you will receive window decals/posters and clean committed kits to provide to customers and employees. Being part of this program helps customers know you emphasize their safety during the ongoing pandemic. I have attached a flyer with all the details.

**You can sign up by [Clicking Here](#)**

If I can be of assistance with these or any other matters, please feel free to reach out.
