

State of Ohio Grants for Small Businesses - APPLY TODAY

Hello All,

As I sent out last week, the \$10,000 grants being offered by the State of Ohio to assist small businesses negatively impacted by COVID are now available.

Please [Click Here](#) to apply

These grants will be awarded on a first-come first-served basis to eligible businesses, so please apply as soon as possible.

Please note, in order to apply, you will need an Ohio ID. If you complete your State of Ohio business filings using the Ohio Business Gateway, this is the same Ohio ID you will use to complete this grant application. If you do not have an Ohio ID, you will need to create one before applying for the grant. The information on how to do this is on the grant application page.

Please let me know if you have difficulty accessing/completing the application and I will do my best to assist.
