

Dear Valued South Euclid Business Owners,

Applications for our 2021 Storefront Renovation Program are now available. Any exterior repair to the Building is eligible to be funded. The only other requirement is that improvements must be made that are visible from the street.

Through the generous support of City Council and One South Euclid, we are able to offer awards of up to \$30,000.00 per project. The program does require a 100% match from the property owner (Ex: \$40,000 total project cost receives \$20,000 storefront funding and \$20,000 contribution from the property owner).

Please note, only property owners are eligible to apply for this program. If you are a business owner who leases their property and wish to make exterior renovations, please speak with your property owner. **The application must come from the property owner.**

Applications are due Friday April 16th.

As was the case last year, the application is once again online.

Any questions should be directed to the Program Manager, Daniel Subwick. Daniel can be reached at (216) 691-4232 or grants@onesoutheuclid.org
