Dear South Euclid Businesses,

This past Friday, Governor DeWine announced a new round of grants for small businesses throughout Ohio. The applications for these grant programs will go live tomorrow- Tuesday June 29th. These grants are targeted towards the following types of businesses:

**-Food & Beverage Establishments**

These are establishments that serve food and/or drinks (both alcoholic and nonalcoholic) on site.

**-Entertainment Venues**

This category of businesses includes theaters, museums, and other entertainment type businesses.

**-New Small Businesses**

These grants are reserved for small businesses that began operation/opened between January 1, 2020 and December 31, 2020.

You will see the grant categories near the top of the page.

If your business fits into one of the above categories, you are eligible to submit a grant application regardless of any other grant assistance you may have already received. Each grant application has an FAQ page associated with it.

If I can be of assistance with this or any other matter, please as always, feel free to reach out.
