

South Euclid Storefront Renovation Program Grants Now Available

Michael Love

Dear Valued South Euclid Business & Property Owners,

Applications for the 2022 Storefront Renovation Program are now available. Any exterior repair to the Building is eligible to be funded. The only other requirement is that improvements must be made that are visible from the street.

Through the generous support of South Euclid City Council and One South Euclid, we are able to offer awards of up to \$30,000.00 per project. The program does require a 100% match from the property owner (Ex: \$40,000 total project cost receives \$20,000 storefront funding and \$20,000 contribution from the property owner).

Please note, only property owners are eligible to apply for this program. If you are a business owner who leases their property and wishes to make exterior renovations, please speak with your property owner. **The application must come from the property owner.**

Applications are due Friday, March 4 and are available online. There will also be a virtual information session about One South Euclid's Neighborhood Grant Program and will include information about the Storefront Renovation Program on February 8, 2022 at 5:30pm. This will be recorded and available afterwards. To attend the virtual information session or view the recording please visit the [One South Euclid webpage](#).

Please [Click Here](#) for more information and to apply.

Any questions should be directed to One South Euclid Executive Director, Annette Iwamoto. Annette can be reached at (216) 316-5373 or grants@onesoutheuclid.org
